

Name: Class: Date:

Boys and Frogs

Some mischevious boys were watching at the side of a pond. When any frogs showed their heads, the boys threw stones at them. One of the frogs said, "Maybe it's fun for you to throw stones at us, but this sport could kill us."

Moral:

It is not good for children to throw stones at animals or hurt them in any other way. Such children may become brutal adults.

Vocabulary:

mischevious - not kind to others

pond - A still body of water smaller than a lake

Fill in the right answers the answers to the questions.

- They showed their heads.
- They were at the side of a pond.
- No, it wasn't.
